**Suggested high level agenda:**

- (10 minutes) Introductions (no more than 1 minute each)
  - Name and pronouns
  - Work place in relation to our discussion
- (5 minutes) Deana (Heather if Deana is not on the call)-talks a bit about CT (who we are and what we do) and what the Indigenous impact plan is
- (37 minutes) **Discussion on research needed to advance Indigenous policy for wellbeing** (note that [CT research is vast](#): education, early childhood, youth, subsistence, justice system, reproductive health, COVID, racial equity, poverty, inequality, child welfare, parenting, sexuality, schools, trauma, social/emotional development, culture as a protective factor, etc.)- can talk both about research needed and areas policy is lacking and needs support
  - Raina-provides her input since she has to drop off early
  - Open for everyone to share
- (8 minutes) Plans for the future
